### Alert on BEE's Logo

BEE is in process of incorporating its new logo in the sample label of all the appliances covered under Standards & labelling (S&L) program. The new logo of BEE in the sample label of appliances/equipment under BEE's Voluntary labelling program have been incorporated. However, the logo in mandatory appliances will be incorporated as and when the amendment notification is published respectively.

For enabling the same, the editable files of revised sample labels for respective appliances are available on BEE star label portal for reference:
