Important Instruction to the manufacturers/Permittee of the standards & labelling program for Distribution Transformer

This is with reference to the decision taken in the technical committee meeting for distribution transformer labelling program dated 12th May, 2017 and subsequent approval from Ministry of Power dated 18th July, 2017 regarding supply of distribution transformer for purchase order placed before 30th June, 2017.

In this regard, it is to clarify that, purchase order which was placed (i.e. commercially purchased) up to 30th June, 2017 can be delivered as per star rating plan which was valid upto 30th June, 2017 (i.e. Table 1 of the amendment notification) and purchase order which has been placed (i.e. commercially purchased) after 30th June, 2017 will be executed as per new star rating plan effective from 1st July, 2017.

However, a copy of contract/purchase order upto 30th June, 2017 of Distribution transformers from Utilities/Discoms is submitted to BEE to permit the supplies of the pending distribution transformers beyond 30th June, 2017.

In this regard, permittee/manufacture can upload their purchase/work order along with necessary information on the www.beestarlabel.com. S&L web portal will be open from 28th July, 2017 to 31st August, 2017 for uploading the purchase order. Manufacturer can upload the documents on the below given link:
