Subject: Addendum in Disseminating Star Labeling in Household Appliance (DISHA) Manual

The following addendum is made in DISHA Manual:

Clause No.	Original Clause	Addendum
8.2 (d) (iv) of Second Check Testing	In case the samples are not available in the market and all efforts to trace the samples fail, the Bureau shall then write to the permittee to provide that sample, within 3-4 weeks of the date of issuance of such letter. In case permittee is not able to provide sample for the second check testing, then check testing of the first sample shall be treated as final and shall be binding on the permittee.	In case the samples are not available in the market and all efforts to trace the samples fail, the Bureau shall then write to the permittee to provide production information and in case, the production continues, BEE shall search the model again through its designated agencies. In case the model is not found, then check testing of the first sample shall be treated as final and shall be binding on the permittee.

All other terms and conditions of the DISHA manual remains the same.

This issues with the approval of DG, BEE.
