ALERT

26.12.2022

Subject: Extension in the Voluntary regime of Star Labelling for Tyres- Regarding

All manufacturers/permittees of tyres under S & L programme of BEE are hereby informed that the validity of existing voluntary regime of star labelling of Tyres has been extended till 31st December, 2023 and the mandatory regime of star labelling would be effective from 1st January, 2024.

All manufacturers are therefore requested to develop requisite infrastructure and seek NABL/ILAC accreditation for in house test set up as appropriate.

All manufacturers of Tyres who wish to apply for a grant of BEE star label from the date of issue of this alert shall apply with revised sample validity period as 1st January, 2022 to 31st December, 2023 and accordingly, the approval granted would be valid till 31st December, 2023.

For models already approved by BEE, the manufacturer/permittees have to submit the proforma enclosed with this Alert seeking willingness to continue the registered models with BEE beyond 31st December, 2022.

Please note that the revised label sample label validity period that should appear on the product should be from 1st January, 2022 to 31st December, 2023.

Manufacturers/Permittees are requested to make necessary compliance with regards to this alert.

This issues with the approval of DG, BEE.
