ALERT

27th December, 2022

Subject: Extension in the Voluntary Regime of Star Labelling for Air Compressors- Regarding

All manufacturers/permittees of Air Compressors under S&L program of BEE are hereby informed that the validity of existing voluntary regime of star labelling for Air Compressors has been further extended by a period of 2 years beyond 31st December, 2022 i.e. till **31st December, 2024**.

All manufacturers are therefore requested to develop requisite infrastructure and seek NABL/ILAC accreditation for in-house test set up as appropriate.

All manufacturers of Air Compressors who wish to apply for a grant of BEE star label from the date of issue of this alert shall apply with revised sample label validity period as 11th January, 2021 to 31st December, 2024 and accordingly, the approval granted would be valid till 31st December, 2024.

Please note that the revised sample label validity period that should appear on the equipment should be from 11th January, 2021 to 31st December, 2024.

Manufacturers/Permittees are requested to make necessary compliance with regards to this Alert.

This issues with the approval of DG, BEE.

P. Samal.
