ALERT

27th December, 2022

Subject: Extension in the Voluntary Regime of Star Labelling for Chillers- Regarding

All manufacturers/permittees of Chillers under S&L program of BEE are hereby informed that the validity of existing voluntary regime of star labelling for Chillers has been further extended by a period of 1 year beyond 31st December, 2022 i.e. till **31st December, 2023** as the Gazette notification is under publication process and therefore, the mandatory regime of star labelling would be effective from **1st January, 2024**.

All manufacturers are therefore requested to develop requisite infrastructure and seek NABL/ILAC accreditation for in-house test set up as appropriate.

All manufacturers of Chillers who wish to apply for a grant of BEE star label from the date of issue of this alert shall apply with revised sample label validity period and accordingly, the approval granted would be valid till 31st December, 2023. Please note that the revised sample label validity period that should appear on the equipment should be from 1st January, 2019 to 31st December, 2023.

For models already approved by BEE, the manufacturers/permittees have to submit the proforma enclosed with this Alert seeking willingness to continue the registered models with BEE beyond 15th January, 2023.

It may please be noted that the online portal for continuation activity will be active w.e.f. 29th December, 2022, 09:00 hrs.

Manufacturers/Permitees are requested to make necessary compliance with regards to this Alert.

This issues with the approval of DG, BEE.
