

6<sup>th</sup> November, 2020

**Important Instruction for all Washing Machine and Microwave Oven manufacturer and Permittee**

1. As you all may be aware that the validity of existing energy consumption standards for Washing Machine and Microwave Oven are going to expire on 31<sup>st</sup> December, 2020. However, the energy consumption standards have been extended till 31<sup>st</sup> December, 2021.

2. Please note that all the approved models of Washing Machine & Microwave Oven would expire automatically on 31<sup>st</sup> December, 2020. Therefore the manufacturers who wish to continue the star label approval for WM/MWO have to follow the procedure mentioned below.

3. Instructions for the permittee who wish to continue the existing models:

(i) Login the manufacturer's portal

(ii) Select the link i.e. "Change Label to New label"

(iii) List of previously approved models will be displayed

(iv) Click on "Submit" and fill relevant details i.e. Previous approval letter issued by BEE and New sample label with revised label validity period

4. Once approved, the model with revised label validity will directly appear on Search and Compare page of BEE star label website (<http://www.beestarlabel.com/Home/Search&compare>)

The renewal link has been made live from 6<sup>th</sup> November, 2020.
