## BUREAU OF ENERGY EFFICIENCY

(Government of India, Ministry of Power)

21<sup>st</sup> January 2021

### Important Instruction regarding Voluntary Star Labeling Program for Air Compressor.

Bureau of Energy Efficiency launched the Voluntary Star Labeling Program for Air Compressor on the occasion of National Energy Conservation Awards, celebrated on 11th January, 2021. The program covers electrically driven positive displacement, fixed speed rotary and reciprocating, oil lubricated/oil-injected, air-cooled and water cooled and motor rating between 0.37 to 500 kW covered under the scope of IS 5456 and IS/ISO 1217: 2009. The energy consumption standards are based on the isentropic efficiency of the Air Compressor.

The energy consumption standards for Air Compressor are applicable from 1st January 2021 to 31st December 2022. The portal for registering the Air Compressor has been activated.

In this regard, all manufacturers are requested to expeditiously register their firms and models with BEE at the earliest. Manufacturers may register their product & agencies on [beestarlabel.com](http://beestarlabel.com).
