

Important Instruction to all Manufacturer and Permittee for LED Lamps

1. As you all may be aware that, in accordance with the Gazette notification dated 9th October, 2019, the existing energy consumption standards for LED lamps are valid only till 30th June, 2020 and the revised energy consumption standards are likely to be made effective from 1st July, 2020.
2. However, in view of the adverse impact of the looming COVID -19 pandemic on the Indian Lighting Industry as a whole, Ministry of Power has accorded an in-principle approval to BEE's request to extend the effective date of implementation of revised energy consumption standards which were to be made effective from 1st July, 2020 by a period of 6 months.
3. Accordingly, the existing energy consumption standards for LED lamps would continue for a period of another 6 months and therefore, would be valid till 31st December, 2020.
4. Amendment notification in this regard would be issued shortly and made available in public domain once notified in the Gazette of India.
5. In lieu of the above, BEE's approval for all the active models which are applicable till today i.e. 30th June, 2020 would be extended automatically till 31st December, 2020.
6. No continuation fee in this regard is to be paid by the manufacturers/ permittee.
7. However, a duly filled in self-declaration form (enclosed herewith) is to be submitted by every manufacturer/ permittee to beesl-it@beenet.in latest by July 8, 2020, failing which BEE's approval shall stand cancelled.
8. Kindly note that sample label to be affixed on each model of Self-ballasted LED Lamp being continued from 1st July, 2020 shall mandatorily contain the revised label validity period i.e. **From 1st January, 2018 to 31st December, 2020** failing which it shall be treated as a non-compliance.
9. For any fresh application being submitted from 1st July, 2020 onwards shall upload the sample label with revised label validity period as **1st January, 2018 to 31st December, 2020**.
