

Important Instructions to all manufacturers/permittee registered under S&L program for LPG Stove

- This is to inform that the existing validity of star rating table for LPG Stove under Voluntary regime has been extended by a period of 6 months i.e. till **31st December, 2021**.
- Accordingly, all manufacturers of LPG Stove shall apply with revised sample label validity period as 1st January, 2014 to 31st December, 2021.
- For models already approved by BEE, all the registered product manufacturers willing to continue the registered models with BEE beyond 30th June, 2021 shall follow the following:
 - 1) **Upload previous approval letter with revised sample label** of a model on standards and labeling portal under label change privilege.
- Kindly note, no continuation application for models would be accepted beyond 05th July, 2021 and models for which such requests are not received timely shall get deactivated automatically after 30th June, 2021.
- Steps to apply for Continuation:
 1. Login the manufacturer's portal.
 2. Select the continuation link i.e. "Change label to New label".
 3. List of previously approved models will be displayed.
 4. Select "Proceed for Continuation" and fill relevant details.

The link for Continuation would appear on Manufacturer's portal w.e.f. 29th June 2021.

This issue with the approval of DG, BEE.
