## BUREAU OF ENERGY EFFICIENCY

(Government of India, Ministry of Power)

31<sup>st</sup> August, 2020

### Important Instructions to all manufacturers/permittee registered under S&L program for Chillers

All manufacturers/permittee of Chillers under S&L program of BEE are hereby informed that the validity of Star rating table for Chillers under Voluntary regime has been extended till **31<sup>st</sup> December, 2021.**

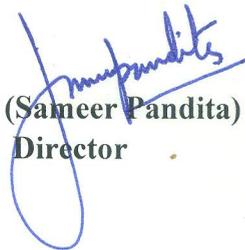

Also, kindly note that the Star Labeling program for Chillers will be made mandatory from 1<sup>st</sup> January, 2022 and all manufacturers are therefore requested to develop requisite infrastructure and seek NABL/ILAC accreditation for in-house test set up as appropriate.

All manufacturers of Chillers who apply for a grant of BEE star label from the date of issue of this alert shall apply with revised sample label validity period as 1<sup>st</sup> January, 2019 to 31<sup>st</sup> December, 2021 and accordingly, the approval granted would be valid till 31<sup>st</sup> Dec, 2021.

For models already approved by BEE, a separate proforma will be sent shortly to all the registered product manufacturers seeking willingness to continue the registered models with BEE beyond 31<sup>st</sup> December, 2020.

Manufacturers are requested to make necessary compliance in above regard.

This issue with the approval of DG, BEE.
