Important Instructions to all manufacturers/permittees registered under S&L program for Washing Machine/Microwave Oven

All manufacturers/permittees of Washing Machine & Washing Machine under S&L program of BEE are hereby informed that the validity of Star rating table for Washing Machine/Microwave Oven under Voluntary program has been extended till **31.12. 2021**.

Also, kindly note that the Washing Machine/Microwave Oven star labeling program will be made mandatory from 1st January, 2022 onwards and all manufacturers are requested to develop requisite infrastructure and seek NABL/ILAC accreditation for inhouse test set up as appropriate.

All manufacturers of WM/MWO who apply for a grant of BEE star label from the date of issue of this alert shall be granted label with a validity till 31st Dec, 2021.

A separate proforma will shortly be sent to registered WM/MW manufacturers seeking continuation of registered models with BEE beyond 31st Dec, 2020.

Manufacturers are requested to make necessary compliance in the above regard i.e. submit new applications for grant of star label with label validity till 31st Dec, 2021.

This issues with the approval of DG, BEE.
